

Meal Charge Policy

Payment for Meals

1. Payment/Pre-Payments are accepted at the school office daily. Methods of payment accepted are cash and check. While payments can be made by the student directly at the Front Office time of meal purchase, for the sake of convenience so students have more time to enjoy their meal, we strongly encourage families to pre-order their student's meal(s) through <https://bellamente.boonli.com/login>.
2. Students eligible for free meals receive meals at no cost. Students eligible for reduced-price meals or full-price meals are required to pay for meals.
3. Students are permitted to charge breakfast and lunch in the event that they do not have money that day. Families are asked to pay off the account balances for these students as soon as possible but must make payment prior to the end of the current school year.
4. Families who cannot pay for meals are encouraged to apply for free meals by completing the application for free/reduced price meals. Please note that all charges accrued prior to the approval of an application will still be the responsibility of the family.
5. Negative balance phone calls will be made once per week to **ALL** students who have a negative balance due to charging meals. Phone calls are made to all students with a negative balance regardless of eligibility. Students are still responsible for any charges accrued prior to an application being submitted and approved.
6. Students are never denied the meal based on the ability to pay.
7. A debt collector shall not be used to collect unpaid meal fees, nor shall the school direct any action toward a student to collect unpaid meal fees. The school may set up a payment plan in an effort to assist in bringing the account to a positive balance.
