## Enroll. Get Care. Renew.

### Health Coverage All Year Long

The COVID-19 pandemic has made it clear that the health of each one of us is deeply interconnected with that of every Californian. The current public health emergency has re-emphasized the importance of having accessible health care coverage and a well-funded safety-net available for our most vulnerable communities.

## Health Coverage Options

### Medi-Cal:

- ▶ Children—regardless of immigration status—foster youth, pregnant women, and legally present individuals—including those with DACA status—may be eligible for no- or low-cost Medi-Cal.
- ▶ Medi-Cal covers immunizations, checkups, specialists, vision and dental services, and more for children and youth at no or low cost.
- ▶ Medi-Cal enrollment is available year round.
- ▶ During COVID-19, Medi-Cal plans began offering more services using telehealth. Ask your provider about accessing care over video or telephone.

### Covered California:

- ▶ Covered California is where legal residents of California can compare quality health plans and choose the one that works best for them.
- ▶ Based on income and family size, many Californians may qualify for financial assistance.
- ▶ Enroll during Open Enrollment or any time you experience a life-changing event, like losing your job or having a baby. You have 60 days from the event to complete enrollment.
