Student Agreements tk-6

2021-2022

As a student at, I pledge to follow the student agreements below to help keep myself and others safe.

Face Masks

I understand that...

- I will bring a clean mask to school every day
- Face masks are required for all students when inside classrooms, school hallways, school office, or the MPR
- Face masks are optional when I am outside
- Face masks are not required to be worn during recess (when outside)
- I can only wear a mask that fits snugly over my nose and mouth. Bandanas, thin masks, neck gaiters (scarves) or ones with vents and valves are not allowed when I am at school.
- If another student decides to wear their mask when outside, I will honor their personal decision by practicing kindness

Any student who refuses to wear a face mask may choose to work at home through Independent Study

A student exempt from wearing a mask due to a medical condition must wear a non-restrictive alternative (shield with neck drape). All exemptions must be approved by the school nurse and site administrator.
